

### **SCHOLARSHIP / TUITION REDUCTION**

Financial Scholarship is available to qualifying families who submit the proper financial applications. Families must also reach out to outside scholarship organizations prior to applying for VCS Scholarships.

#### **There are other creative ways to reduce the cost of tuition.**

VCS encourages word of mouth advertising by offering a coupon voucher for tuition reduction if a family enrolls their child at VCS because of your initial recommendation.

VCS participates in Great Lakes Scrip, a national organization that allows you to purchase gift cards to hundreds of popular retailers. A percentage of the money you spend with the retailer is deducted from your tuition in the spring. Many families have saved hundreds of dollars in tuition by purchasing these gift cards for everyday purchases at food stores, department stores, restaurants, Amazon, etc. More information can be found at [www.shopwithscrip.com](http://www.shopwithscrip.com).
