

TRANSPORTATION

Parents provide transportation for all preschool children. Parents of preschool children must escort their child(ren) to the classroom each morning.

All other students will say goodbye at the main doors.

Transportation is provided by area school districts that are within 10 miles of VCS. If you reside in any of the school districts listed, transportation is provided for Kindergarten through Sixth Grade.

***It is not Philadelphia's policy to transport Kindergartners.**

Parents of Kindergarten students will need to provide transportation to and from school.
